

# GERMÁN SARACCA

Full Stack Developer (Frontend-Focused)

gersaracca@gmail.com • +542494209572 • Tandil, BA • <https://www.linkedin.com/in/german-saracca/> • <https://github.com/g-saracca>

## SUMMARY

---

Full Stack Developer with a strong frontend focus, specialized in building pixel-perfect, scalable web applications and delivering high-quality user experiences. Experienced in developing and integrating RESTful APIs using Node.js and NestJS to support modern frontend architectures. Brings creativity into code while consistently applying accessibility standards and best practices.

## EXPERIENCE

---

### Frontend Developer

Dec 2022 - Present

*BeeReal* - <https://beerealit.com/>

Tandil, BA

- Contributed to ***The Dataverse Project (IQSS, Harvard University)***, a large-scale data management web application, leading the frontend migration from a Java JSF monolith to a React and TypeScript architecture integrated with REST APIs.

<https://github.com/IQSS/dataverse> - <https://github.com/IQSS/dataverse-frontend>

- Built frontend features for fintech and social impact web applications, including an investment tracking platform and administrative dashboards.
- Worked across multiple frameworks (React, Next.js, Angular), delivering maintainable, production-ready user interfaces.

### Frontend Developer

Apr 2022 - Oct 2022

*Temperies* - <https://temperies.com/>

Tandil, BA

- Delivered production-ready frontend features for a medical web application using React, ensuring reliability and adherence to **HIPAA** compliance standards.
- Developed frontend features for an IoT asset monitoring and tracking platform using Vue.js.

### Frontend Developer

Mar 2020 - Mar 2022

*Portinos* - <https://agency.portinos.com>

Buenos Aires, BA

- Implemented multilingual product pages (32+ languages) for ***Intel LATAM and Global***.
- Developed a React-based CMS to manage and distribute content across multiple web properties.
